

UFO CHALLENGE

2023

PARTICIPANT NAME: _____

Project Name		Cut	Pieced	Quilted	Bound	Completed
1	July					
2	August					
3	September					
4	October					
5	November					
6	December					

List the unfinished projects that you would like to complete. The order of the projects is your choice, so if you have a big project to finish, you may want that one to be your December project. Any project you have begun qualifies (from cut out to partially quilted but not completed). This could be a full quilt or a wall hanging. Completed means totally quilted, bound, labeled, and ready for use.

Your completed July and August projects will be shown at the September SMQA meeting. The remainder of your completed projects will be shown at the December meeting.
