

Sierra Mountain Quilters Association

Member Teacher/Presenter

Scholarship Application

SMQA may award scholarships to members to help defray the cost in whole or in part of attending an outside class or workshop.

Recipients of this scholarship must arrange with the Workshop Chair to teach a class or give a program presentation to the membership based on the class or workshop attended with the scholarship funds.

Usual class or program fees, as set forth in SMQA Policies and Procedures, apply to attendees of the member-teacher's class or presentation. These fees replenish the member teacher/presenter scholarship fund. The member accepting this scholarship receives no fee for the required presentation to the membership.

Applicant: _____

Phone: _____

Amount requested: _____

Class or Workshop to attend: _____

Date of Class/Workshop: _____

Please provide a short statement about the class/workshop for which you are applying for the scholarship. (Please use additional pages if necessary)
