Sew the first two strips to both sides of the center block (red) with light gray.

Press either to the side or open, your choice.

Take the dark blue that you have cut and sew to the other sides and press.

Continue like this with all the strips you cut, pressing each time before continuing on to the next. Keep going until all the strips are sewn and you sew the final light blue strip to finish the block.

Square up to 12½" x 12½".

Make as many as you wish and bring them to the June meeting. You will get a ticket for each one you turn in. We'll have a drawing before the program to see who will win all of them. Good Luck !
