### Symbols & Terms:

**WOF** = Width of Fabric

 = Squares

 = Rectangles

## Block 10 Piecing Instructions

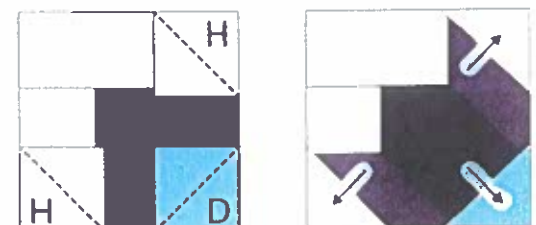

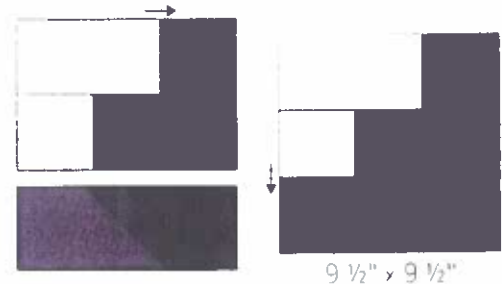

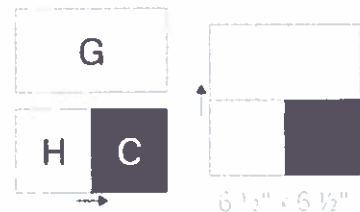

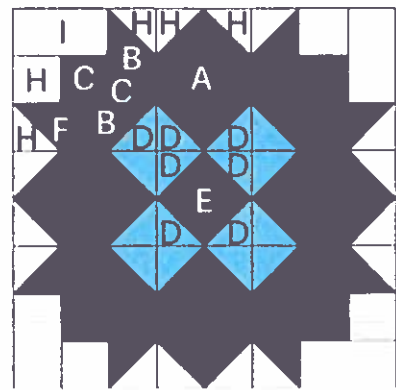

Yields 2 blocks.

All measurements include  $\frac{1}{4}$ "-wide seam allowances. Press after each seam. Pressing suggestions are indicated by the arrows in the assembly diagrams.

For detailed instructions on making the various stitch-and-flip shapes used in this block, see *Stitch-and-Flip Basics* (pages 1-4).

### Part 1: Assembling the Corner Units

1. Sew a C square to the right edge of an H square. Then, sew a G rectangle to the top edge. **Make 8.**
2. Sew a C square to the lower left corner of an F rectangle. **Make 8.**
3. Join B and F rectangles to make a left-leaning rectangle unit. **Make 8.**
4. Sew a Step 2 unit to the right edge of a Step 1 unit. Then, sew a Step 3 unit to the bottom edge. **Make 8.**
5. Sew H squares to the upper right and lower left corners a Step 4 unit. Then, sew a D square to the lower right corner. **Make 8.**

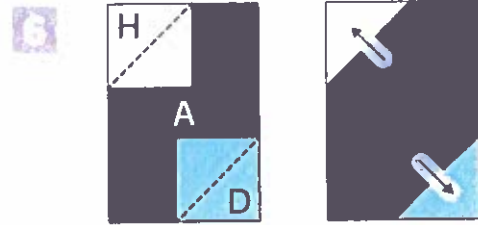

## Block 10 Piecing Instructions, Continued

### Part 2: Assembling the Side Units

6. Sew D and H squares to opposite corners of an A rectangle, as shown.

Then, sew D and H squares to the remaining corners. **Make 8.**

### Part 3: Assembling the Center Units

7. Sew D squares to the corners of an E square, as shown, to make a square-in-a-square unit. **Make 2.**

### Part 4: Assembling Block 10

8. Arrange the units from Parts 1-3 in 3 rows as shown.

Sew the units together into rows and then join the rows together. **Make 2.**
